

Privacy Statement:

As of May 25, 2018, the General Data Protection Regulation (AVG) is in effect. In interest of this, we ask you to sign this "Privacy Statement". By offering your ship for sale at Gensta Shipping & Trading BV for sale, or by purchasing a vessel from Gensta Shipping & Trading BV, you are you share your personal data with us. The AVG contains new privacy rules to better protect your personal data better.

We have amended our privacy policy on the basis of this new legislation. In the interest of the sale purchase of a vessel it may be necessary for us to share your personal data with third parties, e.g. notaries, fellow brokers and ship pictures including living quarters with potential customers and/or fellow brokers and/or other forms of distribution. In the event of the sale or purchase of a ship, we will need your proof of identity in order to draw up the purchase agreement. We will send this Together with the signed purchase agreement we send this to the Notary. The Notary then draws up the draft deed.

The Notary then draws up the draft deed and settlement and will share these with Gensta Trading & Shipping BV. After a successful sale or purchase sale or purchase of a ship, we remove your proofs of identity from our database within 4 weeks of the proof of identity from our file. The sales dossier will remain in our file for our safekeeping obligations file. Your name and company name, your address and email address and your telephone number and photographs of the ship will be removed from our file at first request.
